And as for that old saying about how you can't teach an old dog new tricks - it's true, you really can't! Bare Bones Dec 31 2020 #1 New York Times Bestseller A touching, funny, heart-wrenching, and triumphant memoir from one of the biggest names in radio, the host of The Bobby Bones Show, one of the most listened-to drive time morning radio shows in the nation. Growing up poor in Mountain Pine, Arkansas, with a young, addicted mom, Bobby Estell fell in love with country music. Abandoned by his father at the age of five, Bobby saw the radio as his way out—a dream that came true in college when he went on air at the Henderson State University campus station broadcasting as Bobby Bones, while simultaneously starting The Bobby Bones Show at 105.9 KLAZ. Bobby's passions were pop, country music, and comedy, and he blended the three to become a tastemaker in the country music industry, heard by millions daily. Bobby broke the format of standard country radio, mixing country and pop with entertainment news and information, and has interviewed some of the biggest names in the business, including Luke Bryan, Taylor Swift, Blake Shelton, Tim McGraw, Lady Antebellum, and Jason Aldean. Yet despite the glamour, fame, and money, Bobby has never forgotten his roots, the mom and grandmother who raised him, the work ethic he embraced which saved him and encouraged him to

explore the world, and the good values that shaped him. In this funny, poignant memoir told in Bobby's distinctive patter, he takes fans on a tour of his road to radio. Bobby doesn't shy away from the curves he continues to navigate—including his obsessive-compulsive disorder—on his journey to find the happiness of a healthy family. Funny and tender, raw and honest, *Bare Bones* is pure Bobby Bones—surprising, entertaining, inspiring, and authentic.

Scars and Stripes Jul 26 2020 INSTANT NEW YORK TIMES BESTSELLER From decorated Green Beret sniper, UFC headliner, and all around badass, Tim Kennedy, a rollicking, inspirational memoir offering lessons in how to embrace failure and weather storms, in order to unlock the strongest version of yourself. Tim Kennedy has a problem; he only feels alive right before he's about to die. Kennedy, a Green Beret, decorated Army sniper, and UFC headliner, has tackled a bull with his bare hands, jumped out of airplanes, dove to the depths of the ocean, and traveled the world hunting poachers, human traffickers, and the Taliban. But he's also the same man who got kicked out of the police department, fire department, and as an EMT, before getting two women pregnant four days apart, and finally, been beaten up by his Special Forces colleagues for, quite simply, "being a selfish asshole." In *Scars and Stripes*, Kennedy describes how these failures shaped him into the successful businessman and devoted husband and father he is today. Through unbelievably vivid, wild anecdotes Kennedy reveals all the dumb, violent, embarrassing, and undeniably heroic things he's done in his life, including multiple combat missions in Afghanistan, building a school in Texas for elementary kids, and creating two-multimillion-dollar

businesses. You will learn that failure isn't the end—rather it's the first step towards unearthing the best version of yourself and finding success, no matter how overwhelming the setbacks may feel.

Calling Evil Good Apr 22 2020 Contemporary Christian music—it is the innovation of the hour in our age of church history. It has taken the Bible believing church by storm. When a fundamental church institutes CCM as it's musical style, it always moves into the new evangelical hemisphere. Where CCM comes, new evangelicalism follows, as certainly as the tail follows the dog. Reverent worship disappears, sound doctrine declines, and the holy living is despised. Why does this happen? This wonderfully written book will give you the answer. Missionary Spencer Smith confronts the issues with a loving approach that instructs the reader on public and private Biblical standards concerning music. In his research, he even met many CCM "artists" that reinforce the case being presented and many of those stories are laid out for you. Although our world may be changing and many church services have become similar to that of a circus, God has not left us without a musical blueprint to practice. Although some may attempt to muddy the waters, this book washes away all the filth, so that we might see

Jesus. This excellent volume should be read, reread, and applied. Brian R. Jackson, Senior Pastor, Broadway Baptist Church
