LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century. It now lives on at LIFE.com, the largest, most amazing collection of professional photography on the internet. Users can browse, search and view photos of today's people and events. They have free access to share, print and post images for personal use. True Texans know Texas is more than a place it's a state of mind. It's an obsession. It simply can't be beat. So pull on your boots and saddle up for your insider tour of all that the great state of Texas has to offer. Whether you're holding on to your hat as the wild Texas weather rages or swinging your partner to the sweet sounds of Texas blues and rock, these are the books to satisfy your need for all things Texas. Hot off the press and loaded with Texas sized facts and photos, the Texas Series of collectible books is perfect for lovers of the Lone Star state. Erica Grieder's Texas is a state that is not only an outlier but an exaggeration of some of America's most striking virtues and flaws. Big, Hot, Cheap, and Right is a witty, enlightening inquiry into how Texas works, and why, in the future, the rest of America may look a lot like Texas. Since 1973, TEXAS MONTHLY has chronicled life in contemporary Texas, reporting on vital issues such as politics, the environment, industry, and education. As a leisure guide, TEXAS MONTHLY continues to be the indispensable authority on the Texas scene, covering music, the arts, travel, restaurants, museums, and cultural events with its insightful recommendations. A companion volume to Ghost Towns of Texas provides readers with histories, maps, and detailed directions to the most interesting ghost towns in Texas not already covered in the first volume. Reprint. Since 1973, TEXAS MONTHLY has chronicled life in contemporary Texas, reporting on vital issues such as politics, the environment, industry, and education. As a leisure guide, TEXAS MONTHLY continues to be the indispensable authority on the Texas scene, covering music, the arts, travel, restaurants, museums, and cultural events with its insightful recommendations. Earl Swagger is a lawman just returned from World War II to Hot Springs, Arkansas, where his latest battle is with the Mafia and the corrupt men who run the casinos. Willow is sent to the Swiss Alps to rescue a fellow agent, but first she has to fill a contract in Korea and Texas. Since 1973, TEXAS MONTHLY has chronicled life in contemporary Texas, reporting on vital

issues such as politics, the environment, industry, and education. As a leisure guide, TEXAS MONTHLY continues to be the indispensable authority on the Texas scene, covering music, the arts, travel, restaurants, museums, and cultural events with its insightful recommendations. There are many gluten-free cookbooks on the market, but none like Goodbye Gluten! Roughly one-third of people in the U.S. are either gluten intolerant or have celiac disease, and for these people, eating gluten can make them sick--very sick. The engaging team of Kim Stanford and Bill Backhaus represents both these audiences, and together they have developed over 200 flavorful and tempting recipes for all types of dishes, from appetizers to desserts. Goodbye Gluten is both a cookbook and shopping guide for people who do not want gluten in their diets and are tired of missing out on their favorite foods. In each recipe the authors use everyday brand names that can be found at your local grocery store, which means you no longer have to check labels to decipher if a product is gluten-free. Another appeal of the book is its use of Texas and Tex-Mex flavors to add a kick to what can be bland fare. Goodbye Gluten makes it easy to live the gluten-free lifestyle, because it is not just a diet, but a lifestyle. With 30 color photos of the completed dishes, even the most dedicated bread-lover will want to get into the kitchen and start cooking.

When the story of a kidnapped girl triggers unexplained memories, Zoe Adams is determined to figure out why--a search that leads her to one of the Lone Star State's richest families and P.I. Tyler Lopez, and causes her to become a hit man's target. Original. 75,000 first printing. A collection of Courtney's columns from the Texas Monthly, curing the curious, exorcizing bedevilment, and orienting the disoriented, advising "on such things as: Is it wrong to wear your football team's jersey to church? When out at a dancehall, do you need to stick with the one that brung ya? Is it real Tex-Mex if it's served with a side of black beans? Can one have too many Texas-themed tattoos?"--Amazon.com.

The Grand Western Railroad Game By: Robert S. Farnsworth The Grand Western Railroad Game by Robert S. Farnsworth is a fascinatingly detailed story of the historical importance of Western railroads. It has been meticulously written to educate the reader on the intricacies involved in the creation and growth of the Rock Island System over the "Empire Years." The railroad's premium passenger train service even inspired the popular song "The Rock Island Line is a Mighty Fine Line." To quote the author, "I wrote this book, not from just the viewpoint of a rail fan, hundreds of whom have diligently photographically documented the railroad's passage through time, but from the viewpoint of a former employee and from the insights gained from a broad education in both the university and in the experience of a practiced transportation planner. I hope that the reader will learn from the stories told here that the workers tried valiantly to do their jobs, that the line's managers were forced to play with the hand that was dealt to them from a less than full deck, and that investors expected to get a reasonable return on the often gigantic sums paid into the corporation. "I hope that the information contained within these covers leads others toward more detailed studies of the railroads and of the conditions in which they survived, if not prospered." "The unspoiled, wooded landscape of the Arkansas Ozarks is steeped in traditions, where legend and myth are a huge part of history. During the Civil Wr, when Maranda Simmons boldly retrieved her stolen horses from a Union camp, soldiers believed she was a haint. When a cast-iron stove fell of Grace Sollis's baby, she gained superhuman strength, picked up the stove to free the baby and then ran circles around the log cabin until she came to her senses. After patiently waiting years for her promised dream house, Elise Quigley and her five children tore down their three-room shack and moved into the chicken house after Mr. Quigley left for work. Join author Cynthia Carroll, a descendant of six generations of Ozark natives, as she details the legends and lore of the Arkansas Ozarks."

from the back cover Nikki Hunt thought her night couldn't get worse when her no-good, cheating ex ditched her at dinner, sticking her with the bill. Then she found his body stuffed in the trunk of her car and lost her two-hundred-dollar meal all over his three-thousand-dollar suit. Now not only is Nikki nearly broke, she's a murder suspect. Former cop turned PI, Dallas O'Connor knows what it's like to be unjustly accused. But one look at the sexy-though skittish-suspect tells him she couldn't hurt anyone. The lead detective, Dallas's own brother, has the wrong woman and Dallas hopes a little late-night "undercover" work will help him prove it . . . **Previously published as Don't Mess With Texas For more than two centuries, the U.S.

Supreme Court has provided a battleground for nearly every controversial issue in our nations history. This veteran team of talented historians produces the most readable, astute, and up-to-date single-volume history of this venerated institution. Happy New Almanac Year! It's time to celebrate the 230th edition of The Old Farmer's Almanac! Long recognized as North America's most-beloved and best-selling annual, this handy yellow book fulfills every need and expectation as a calendar of the heavens, a time capsule of the year, an essential reference that reads like a magazine. Always timely, topical, and distinctively "useful, with a pleasant degree of humor," the Almanac is consulted daily throughout the year by users from all walks of life. The 2022 edition contains the fun facts, predictions, and feature items that have made it a cultural icon: traditionally 80 percent-accurate weather forecasts; notable astronomical events and time-honored astrological dates; horticultural, culinary, fashion, and other trends; historical hallmarks; best fishing days; time- and money-saving garden advice; recipes for delicious dishes; facts on folklore, farmers, home remedies, and husbandry; amusements and contests; plus too much more to mention--all in the inimitable Almanac style that has charmed and educated readers since 1792. Fun with the Family Texas leads the way to historical attractions, children's museums, festivals, parks, and much more. She's been fooled before by sweet words and hot kisses Kelly Turner loves being a florist, and being asked to take the lead on the new site for the town's festival is an honor. If only she didn't have to work closely with the town player, Tate Prentice. After being burned once by a serial cheater, her inconvenient attraction toward Tate needs to be nipped in the bud. Tate Prentice's focus is on ensuring his father recovers fully from his stroke and making sure the family's peach farm continues to thrive. When his brother nominates the farm to be the satellite site for the festival, he's less than impressed. The only good thing is he'll be working with Kelly - even though he knows she'll never give him a second glance, not with his reputation. The more time Kelly spends with Tate, the more she sees the man behind the reputation. Can she trust her instincts, or will her heart be broken once again?
