Blessed is all I have known. I keep my head down and my hair covered. I don't speak unless spoken to. I follow the rules—mostly. But the clock is ticking. Soon, Father Joshua will name my husband and there isn't a man here I want to touch me. The last thing I expected was for Father Joshua to choose me for his own. I'm special, he said. I'm wicked. And I need a holy man to keep me from my own wickedness. Now, I must escape. Even though I hardly know what's beyond these walls. Even if I die out there in the forest. I didn't expect someone to catch me when I leapt. Especially four someones. Rayner. Silvus. Jie. Thom. I have fallen into the arms of four vampires. They have loved me across time, across many lives. When I die, they find me, claim me, love me passionately, no matter where I'm from or who I've become. They are completely devoted to me. They'd kill for me. But the one thing they've never been able to do is turn me into a vampire so we never have to say goodbye. One way or another, I'm going to die--but will it be in the hands of an evil man, or to be reborn with the men I love? Originally published as a trilogy. Aysa never imagined this—that her adopted sister is now a vampire! Camille struggles to forgive Aysa when she breaks the bonds of sisterhood, strikes a deal with darkness, and tries to separate her from Dokken. Vampires trapped underground call out to the new queen and Camille cannot ignore their cries. She feels their suffering and longs to save their dying souls. New hurdles put Dokken to the ultimate test when more than just his enemy pursues Camille. With their nemesis at large and a renegade on the loose, Dokken feels Camille falling over the edge. For hundreds of years, Anatole has sought clues and answers to the riddles about the time called Gehenna, when the ancient vampires called the Antediluvians will rise and destroy all the Kindred on earth. Now, as the millennium draws to a close, Anatole finds a means to finally gain the ultimate answers he desires. Through visions of an ancient Eye and a young Kindred named Leopold, Anatole seeks to forge a connection between himself and one of the few resources for answers about the great mystery of Gehenna: the very source of the coming destruction! Discover the second volume of Vampire Brothers, the sensual, biting new series by Alice Kinney. Vampire Brothers, volume 2 of 6 The Vampire the Masquerade Clan Novel Saga is a thirteen-volume masterpiece, presenting the war between the established Camarilla leadership and the growing power of the brutal Sabbat on the East Coast of the United States. Each novel is told from the perspective of one of the thirteen clans, intertwining with the others, and filling in missing pieces artfully as we follow battle after battle, intrigue after intrigue—and the appearance of a strange artifact that falls into the hands of a solitary Toreador sculptor. Clan Novel Setite is the fourth in the series. Heshu Ruhadze possesses everything a Follower of Set could want: money and mansions, influence and intelligence, reliable retainers and a trustworthy (junior) partner. Heshu has perfect faith, the blessings of his god,

clear vision, and iron-clad self-control. Everyone's luck runs out some time. In an antique shop in Manhattan, Hessa finds a clue to a prize that has eluded him for lifetimes—the Eye of Hazimel. By dawn, all he has fought to achieve over centuries of vampiric existence is slipping from his grasp. Little does the Setite realize that his chance encounter in New York is a strand of the same web that brings the Eye into the hands of one of his own agents, only to be lost again. But is anything truly chance in the shadowy world of the Kindred? The series is a monumental, 13-novel exploration of the forbidden world of the Kindred. What began in *Clan Novel: Toreador* continues here, and its ending will determine the fate of every human—and inhuman—being in the world. Now that the Vampires are gone, the forest is at peace, Waveripple believes. The Amphibian dragon now has two younger sisters, who can grow up safe and free from worry. Little does he know that one of the Vampires he helped to drive out, Whiteswirl, is out for revenge. He will stop at nothing to hunt down the five dragons who killed Redclaws, the Vampire who converted him while he was still in his egg. But soon things become even more heated, as an entire clan of Vampires moves into the area, and a clan of Vampire hunters follows. Both clans begin to hunt each other down. The Vampires are eager to eliminate one of the only things that can threaten them, while the Vampire hunters are trying to exterminate the Vampires before the rest of the dragons in the forest are killed by them. Three months ago, Aspen Troy's life changed forever when she became a vampire and broke the ancient curse that's plagued the Draven clan for centuries. Except when they discover only she can successfully create new vampires, it's clear the curse hasn't been lifted. Now Aspen has a choice to make—turn innocent people in the name of saving those who have already lived more lifetimes than any person should, or refuse, and risk all of them being killed by the Twelve vampire clans. As if this choice isn't hard enough, Vanesa Draven tries to force Aspen's hand by kidnapping someone she can't afford to lose for leverage. The decision is hers. And either way, people will die because of it. The Vampire Clan Novel epic is re-presented in four beautiful trade-format volumes. The *Clan Novel Saga* reorganizes the chapters from all 13 novels (and the *Clan Novel Anthology*) in strict chronological order. Volume Two covers the chaotic month of July 1999. Atlanta and other Southern cities fall to the Sabbat, foreign assassins converge on the scene, and the animalistic Gangrel come face-to-face with the Eye to Hazimel. This volume includes all-new story by Stefan Petrucha (*Dark Ages: Assamite*). that falls into the hands of a solitary Toreador sculptor. Clan Novel Tremere is the twelfth novel in the series. Magic, manipulation, murder. With one foot firmly planted in the mythic and the other rooted in the unforgiving streets of New York City, Aisling Sturbridge, Regent of the besieged Chantry of the Five Boroughs, serves as leader, teacher, and guardian to the novices entrusted to her care. But if holding the front line against the Sabbat were not challenge enough, Sturbridge must struggle to unravel a murder in the very heart of her chantry; to upstage the manipulation of rival Tremere powerbrokers and to survive the escalating (and unwelcome) attention from the motherhouse in Vienna. All of these struggles, however, may prove to be in vain. If Sturbridge cannot find some answer to her own silent accusers—the faces of the Children down the Well. Clan Novel Tzimisce is the second in the series. The Clan Novel series takes a sinister turn as the dread Tzimisce emerge from their macabre dungeons and laboratories to take a decidedly unhealthy interest in events. Amid the rising nightmare, charismatic Sascha Vykos—an Old World monster with a New World agenda—brings both scourge and velvet glove to rally the fractious Sabbat forces. A great reckoning awaits the complacent Camarilla—if only Vykos can preserve the volatile alliance and keep the Sabbat serpent from devouring its own tail.
