The world is reaching a crisis point as an ancient threat re-emerges. And the clock has just begun ticking on a whole new battlefield. _____ Delaney McPhearson is still reeling from the events in Heaven's Gate six months ago. Henry and Jake are physically healing and while Laney might look fine, not all wounds are so easy to see. At the same time, the Fallen have made themselves known across the globe. Laney is being pulled from one crisis to another. But soon a new threat arises that requires all of her focus: Someone is targeting the people who are connected to the Fallen. And they are not distinguishing between the good and the bad. The quest to stop the murders ranges across the Pacific and back in time to a dark period in human history when human sacrifices were commonplace. Laney will do whatever she must to stop these people. But will it be enough? About The Belial Search is the seventh book in the popular Belial Series and the ninth book written by R.D. Brady. And it demonstrates why the Belial Origins wasn't the end, but only the beginning. The Fallen are gone. The world is at peace. But the belief that the danger they pose has vanished is only an illusion. For the last seven years Delaney McPhearson has led a quiet life. She's used her notoriety to start charitable works across the globe. Yet her world remains unsettled. Max's prophesy for the future lays heavily on her mind. She's kept that message of a violent showdown from her friends and family, wanting them to enjoy the peace they've so painfully earned. For Laney though, each moment of joy is accompanied by a ticking clock counting down. And now the ticking has stopped. An old enemy returns and is trying to turn back the clock to a time when the Fallen had their powers. Laney must jump into the fight again. But after so much time, is she still up to the task? A plane crashes on a desert island and the only survivors, a group of schoolboys, assemble on the beach and wait to be rescued. By day they inhabit a land of bright fantastic birds and dark blue seas, but at night their dreams are haunted by the image of a terrifying beast. As the boys' delicate sense of order fades, so their childish dreams are transformed into something more primitive, and their behaviour starts to take on a murderous, savage significance. First published in 1954, Lord of the Flies is one of the most celebrated and widely read of modern classics. Now fully revised and updated, this educational edition includes chapter summaries, comprehension questions, discussion points, classroom activities, a biographical profile of Golding, historical context relevant to the novel and an essay on Lord of the Flies by William Golding entitled 'Fable'. Aimed at Key Stage 3 and 4 students, it also includes a section on literary theory for advanced or A-level students. The educational edition encourages original and independent thinking while guiding the student through the text - ideal for use in the classroom and at home. One archangel after Addie was difficult to survive. All of them is impossible. Addie has nowhere left to turn. Anyone who helps her will be placed in mortal danger and she won't take that chance with the people she loves. There is only one possible haven left open to her: her father who lives in hell itself. But the risks posed by that choice are immense. She knows nothing of her father but what everyone knows: the devil is evil incarnate. With no other options though, he is all she has left. But how can she trust anything the devil says? Long before Delaney McPhearson learned of her destiny, a brave group of women defended a heritage that would one day aid us all. The history of the forces working to protect the world extends far beyond the time of Delaney McPhearson. One of the first tests of those chosen to defend the good in the New World dates back to one of the uglier times in American history - the Salem Witch Trials. The Followers of the Great Mother have long known the world is more than it seems. But escaping to the New World, they thought they had found a refuge. But they should have known that when it comes to the Fallen, no place is safe. The bestselling author of The Dante Club takes us deep into a shadowy era in publishing ruled by a forgotten class of criminals. A golden age of publishing on the verge of collapse. For a hundred years, loose copyright laws and a hungry reading public created a unique opportunity: Books could be published without an author's permission with extraordinary ease. Authors gained fame but suffered financially? Charles Dickens, Mark Twain, Robert Louis Stevenson, to name a few? but publishers reaped enormous profits while readers got their books on the cheap. The literary pirates who stalked the harbors, coffeehouses, and printer shops for the latest manuscript to steal were known as bookaneers. Yet on the eve of the twentieth century, a new international treaty is signed to protect authors and grind this literary underground to a sharp halt. The bookaneers, of course, would become extinct. In The Last Bookaneer, Matthew Pearl gives us a historical novel set inside the lost world of these doomed outlaws and the incredible heist that brought their era to a close. On the island of Samoa, a dying Robert Louis Stevenson labors over a new novel. The thought of one last book from the great author fires the imaginations of the bookaneers, and soon two adversaries? the gallant Pen Davenport and the monstrous Belial? set out for the south Pacific island. Pen Davenport? a tortured criminal genius haunted by his past? is reluctantly accompanied by Fergins, the narrator of our story, who has lived a quiet life of bookselling before being whisked across the world on his friend's final caper. Fergins soon discovers the supreme thrill of aiding Davenport in his quest: to steal Stevenson's manuscript and make a fortune before the new treaty ends the bookaneers' trade forever. Yet Samoa holds many secrets of its own, and the duo's bookish concerns clash with the island's violent destiny. A colonial war is afoot between the British, American, and German powers; even as Stevenson himself quietly supports native revolutionaries from high in his mountain compound. Soon Pen and Fergins are embroiled in a conflict larger, perhaps, than

literature itself. Illuminating the heroics of the bookaneers even while conjuring Stevenson himself to breathtaking life, Pearl's *The Last Bookaneer* is a pageturning journey to the dark heart of a forgotten literary era. All hell breaks loose in Meljean Brook's erotic, supernatural debut novel. Lilith, a demon, has spent 2,000 years tempting men and guaranteeing their eventual damnation. That is, until she meets her greatest temptation: the man whose life mission has been to kill her. **REVELATIONS, DEATH, AND DESTINY: THE THREE FORCES HAVE RULED DELANEY'S MCPHEARSON'S LIFE FOR THE LAST TWO YEARS. BUT THE GREATEST REVELATION IS YET TO COME . . . AND THE GREATEST SACRIFICE.** A powerful relic was hidden eons ago to protect mankind. If it's uncovered, our world will change forever. But the Fallen are on its trail. And they're not the only ones. The key to this ancient danger is none other than Victoria Chandler. No one knows who she really is, or more importantly, what her role is in the fight against the fallen angels. But Victoria's time for secrecy is over. Now she must step out of the shadows and take her rightful place in mankind's history. Delaney McPhearson, Jake Rogan, and Henry Chandler's fight against the Fallen will take them from ancient temples to natural wonders. But with every step, the danger will grow more severe and the stakes ever higher. And in this battle, not everyone will be standing when the dust clears. **What Readers Are Saying:** "The more I read the more I want to read...It has been a long time since I have been so captivated by a book. Not one moment has this entire series disappointed." "After the first book in this series this author overtook Dan Brown as my very favorite author." "The *Belial Origins* is the 6th book in this awesome series and happily, not the last." "It does not disappoint! No need for a flowery review full of BS... If you enjoyed the other books in the series, you will for sure enjoy this. Happy reading!" "For anyone else reading this review, I will not offer ANY spoilers. You simply MUST read these books, and let your friends and family know about them as well." "Too often heroes are written as perfect and R.D. makes them so real you wish you could just hang out with them at a cookout. The blend of mythical, historical, religious and real events makes this a cut above many adventure series. I can't wait for the next book! From #1 New York Times and USA TODAY bestselling author Cassandra Clare comes the first novel in a brand-new trilogy where evil hides in plain sight and love cuts deeper than any blade. *Chain of Gold* is a *Shadowhunters* novel. Cordelia Carstairs is a *Shadowhunter*, a warrior trained since childhood to battle demons. When her father is accused of a terrible crime, she and her brother travel to London in hopes of preventing the family's ruin. Cordelia's mother wants to marry her off, but Cordelia is determined to be a hero rather than a bride. Soon Cordelia encounters childhood friends James and Lucie Herondale and is drawn into their world of glittering ballrooms, secret assignations, and supernatural salons, where vampires and warlocks mingle with mermaids and magicians. All the while, she must hide her secret love for James, who is sworn to marry someone else. But Cordelia's new life is blown apart when a shocking series of demon attacks devastate London. These monsters are nothing like those *Shadowhunters* have fought before—these demons walk in daylight, strike down the unwary with incurable poison, and seem impossible to kill. London is immediately quarantined. Trapped in the city, Cordelia and her friends discover that their own connection to a dark legacy has gifted them with incredible powers—and forced a brutal choice that will reveal the true cruel price of being a hero. The sword *Tyrfin* has been broken to prevent it striking at the roots of *Yggdrasil*, the great tree that binds earth, heaven and hell together . . . but now the mighty sword is needed again to save the elves, who are heavily involved in their war against the trolls, and only Skafloc, a human child kidnapped and raised by the elves, can hope to persuade the mighty ice-giant, Bolverk, to make the sword Thor broke whole again. But things are never easy, and along the way Skafloc must also confront his shadow self, Valgard the changeling, who took his place in the world of men. A superb dark fantasy of the highest, and most Norse, order *The Broken Sword* is a fantasy masterpiece. Lose yourself in ancient civilizations in these three historical novellas by the radical Nobel Laureate and author of *Lord of the Flies*. Even when he leapt from the parapet he talked. Ancient Egypt. The Prince is set to marry *Pretty Flower*, his sister, in the Great House's incestuous society. But the Liar speaks a truth that transforms everything . A primitive matriarchal society. While mothers raise children in the bucolic *Place of Women*, *Chimp* is tormented by the *Leopard Men* in their brutal hunts, until he gains new wisdom . Imperial Rome. In an era of invention and exploration, the emperor realises he loves his illegitimate grandson more than his own loutish heir . 'Communicates visionary ideas about the present and his imaginative understanding of our collective pasts.' Bettany Hughes 'Golding writes the past as present [with] uncanny skill and tremendous intuition.' Ben Okri 'Brilliant . So fluent and stylish that the stories read themselves like a dream.' Daily Telegraph 'Ingenious ... Perhaps the ambition of these books seems to put them a bit over the top, a bit out of their time.' London Review of Books "**GREEN DEVIL: The Book of Belial**" is the second book in "*The Evil on Earth Series*" by David Saperstein, author of the best selling novel, "*Cocoon*." Evil fallen archangel, Belial the Green Devil, plans to obliterate God's creation, mankind, by destroying the Earth's environment. He has the ability to take on the form of animals and birds, but now exists in human form as mega entrepreneur Nicholas Perez. By catering to the greed of high-level government officials, he gains control over huge amounts of nuclear waste materials to introduce into the water supply of major cities. Only a small, dedicated, international and diverse group of men and women known as *The Vigilant*, are aware of the archangel's existence. They alone stand between Belial's evil plan and the salvation of the planet. As a child, Dr. Tess Brannick learned there was something big living in the Pacific Northwest. Now she's going to prove it.

For centuries, legends of a giant hairy beast roaming the Pacific Northwest have made their way into the collective understanding. Despite the reports, conclusive proof of bigfoot has never been found. But Dr. Tess Brannick has a plan to change all that. Tess has spent years studying to be up to the task of finding the elusive creature. And now, a year into her research in northern California, she knows she's on the precipice of a world-shattering discovery. But the more she learns, the more confused she becomes. Nothing is as she expected. And as a new threat, a threat she unintentionally introduced, appears on the horizon, Tess must come to a decision. Who should she be - the scientist or the human being?

About: R.D. Brady is the author of the popular *Belial Series*. *Hominid* is her second book outside the series but packs in the same facts, myths and science that made the *Belial Series* such a hit. Note: *Hominid* is R.D. Brady's eighth book and her other seven are also available on Amazon.com A millennia-old prophecy was given when the *Forbidden Ones* were driven from Achar. And now, the *Acharites* witness its manifestation: Achar is under attack by an evil lord from the North, Gorgreal-his ice demons strike from the sky and kill hundreds of brave warriors in the blink of an eye. All *Acharites* believe the end is near. One young woman, Faraday, betrothed of Duke Borneheld, learns that all she has been told about her people's history is untrue. While fleeing to safety from the dangerous land, Faraday, rides with Axis, legendary leader of the *Axe-Wielders*-and hated half-brother of Borneheld-and a man Faraday secretly

loves although it would be death to admit it. She embarks on a journey, which will change her life forever, in search of the true nature of her people. This grand and heroic story tells the tale of one woman's plight to learn the truth of her people and change their hearts and their minds forever. She fights against oppressive forces to share this reality and will not desist until everyone knows. . . .

The truth of the Star Gate At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. All children should be safe from harm . . . Someone didn't get the message.

Life has not calmed down for Delaney McPhearson now that she has become the ring bearer. For the last few months, she, Henry Chandler, and Jake Rogan have been finding the camps of the teenage potentials left behind by Amar. In their search, they've come across something they didn't expect: More children are missing but these children are younger - much younger. One of the largest lines of investigation leads them to early American history and the legends of an ancient race of giants. But are they getting closer to the missing children or heading down a path that will only lead them farther away? Together, Laney, Jake, and Henry have faced incredible odds together and won. But this time the cost feels that much steeper. Because this time it's not just their lives at risk - this time it's children who may pay the ultimate price. This swoonworthy, romantic companion novel to Wendy Higgins's New York Times bestselling Sweet Evil series is told from irresistible bad-boy Kaidan's point of view. Readers will love getting inside Kaidan's head, especially fans of the Divergent series by Veronica Roth, the Selection series by Kiera Cass, and Walking Disaster by Jamie McGuire. When bad-boy drummer Kaidan Rowe encounters good girl Anna Whitt, the girl chosen to vanquish the demons from earth, he can't stop thinking about her. The Nephilim son of the Duke of Lust, Kaidan tries to help Anna embrace a life of sin, but she gradually helps him see that he's meant to do more with his life. Their relationship is as tortured as it is passionate, for Nephilim are forbidden to fall in love. But as hard as they may try to obey, Kai can't seem to stay away from Anna, nor Anna from Kai. Full of chemistry and high-stakes drama, this companion book is darker, hotter, and completely satisfying. Large Print A sharp tug at the end of a hangman's noose is Lexi Garret's future, until the kingdom of Ecrimorr extends her an offer to prove her worth. But can she trust a kingdom that despises her very existence? Abominations appeared when the goddess disappeared a thousand years ago. In the Kingdom of Ecrimorr, these humans with enhanced abilities are tightly controlled. Those that can't be controlled are killed. And even those sent to an abomination institution have a dark fate: find a benefactor by the age of twenty-three or be killed. All abominations living in an institution therefore are looking for their golden ticket out. All except Lexi Garrett. Lexi knows her future is short. But she has good reason for not going along with the program: a young abomination that she needs to keep safe. But the kingdom is looking for an abomination to add to the ranks of the Invicta, the premiere fighting force of Ecrimorr. And the leader of the Invicta has chosen Lexi. Something dark stirs in the shadows of the kingdom, drawing ever closer to the seat of power. The Invicta leader knows he needs every tool he can muster to keep the kingdom safe. And Lexi is one of those tools. Together, they will face the danger head on and find either salvation or death at its hands. "Twelve-year-old Jonathan is half-angel, half-demon, and the only one of his kind. But he has no idea of his true identity, and now a rogue archdemon wants him for his own sinister purpose"-- "In the last two years, Professor Delaney McPhearson has uncovered two Atlantis sites. Now, though, life has calmed down and all she wants to do is enjoy the peace with her love, Jake Rogan and those she cares about. But fate has a different idea. Plans are in motion for Laney, Jake, and Henry Candler that stretch back thousands of years and across the globe to a mysterious, ancient Egyptian necropolis. Everything Laney thought she knew about herself and her past will be turned on its head. She never dreamed the violence of the last year was only a taste of what was to come - a taste of the destiny that awaits her. Because destiny, like fate, always comes with a cost. And this time, the cost may be more than she can bear." -- Back cover

Natalie Brandon doesn't believe in curses - except the one afflicting her. Diagnosed with schizophrenia, she's tormented by a recurring hallucination - the voice of an angel named Belial. When her boss acquires a copy of the rare 1631 Sinners' Bible, Belial tells her that the book is linked to the tragic Stuart dynasty - and the curse that brought it down. Natalie doesn't believe it until the public unveiling of the book goes horribly awry. A pair of thieves take Natalie, her sister, and her boss hostage. When Belial orders her to keep the thieves from stealing the Sinners' Bible, Natalie knows it's because he wants to unleash the curse once more. Will she stop the thieves or will she stop Belial? No matter which choice she makes, someone will die. LOU THOUGHT SHE'D LOST EVERYTHING IMPORTANT TO HERSHE DIDN'T REALIZE THERE WAS ONE THING LEFT FOR HER TO LOSE ...HER LIFE

Life has not been easy for fifteen-year old Lou Thomas. In the last few years, her once happy family has been whittled down to just herself and her unreliable older sister Charlotte. It's been a daily struggle to make it through. And it's about to get worse. Because Lou's abilities - enhanced strength, speed, and healing - have just awakened. While Lou may not understand what is happening to her, another group does. And they won't let anyone get in the way of gathering their new recruit. Jennifer Witt, though, is determined to keep that from happening. She sees herself in the tough teenager and will do whatever is necessary to keep her safe. But how can you keep someone safe when they insist on running into danger? The first novella in the Belial series is an action packed thrill ride! Check out what readers are saying: "Ms. Brady has now become part of my favorite authors, right up there with James Rollins, Steve Berry, J.A. Jance David L. Golem0on, J. Robert Kennedy, and a few others." "R.D. Brady has created a story arc filled not only with action and seamlessly woven history and modern archaeology, but also with people who have come to be like family, not only to each other but me as well." "Angels, alternative histories, and a few quotes from real ancient scripts tend to lend the story credibility allowing the reader to ponder the what if." "RD has captured me once again." "Believable characters, natural dialogue, creative premise, interesting research and the pace went from holding my interest to page turning action. The entire Belial Series is 5 star in my opinion." The world has learned the legend of Helen of Troy, but not her story. Even the name by which she is known is not her true title. She was Helen, Queen of Sparta. And she was much more than a pretty face.

Delaney McPhearson has been made a public pariah. She barely escaped with her life from Colorado when law enforcement agents moved in. And she cannot take credit for that escape. No, that credit belongs to one man, Drake--Las Vegas entertainer, sabbatical taking archangel, and consummate egoist. But Drake's help is not without strings. He has an agenda too. He knows for Laney to move forward, she must first delve into her past-she must remember her life as Helen of Troy. History has never truly known Helen. For hundreds of years cults celebrated her, well before Homer immortalized her in The Iliad as a woman who turned her back on her family and kingdom for a handsome face. Yet as with many of history's greatest characters, the life of Helen of Troy is more than it seems. Now it's finally time for the most maligned woman in history to tell her side of the story. A dystopian classic In February 2108, the New Zealand

Rediscovery Expedition reaches California at last. It is over a century since the world was devastated by nuclear war, but the blight of radioactivity and disease still gnaws away at the survivors. The expedition expects to find physical destruction but they are quite unprepared for the moral degradation they meet. Ape and Essence is Huxley's vision of the ruin of humanity, told with all his knowledge and imaginative genius. In this sequel to A River of Royal Blood, Eva and Isa must find a way to work together if they want to save their queendom in the thrilling conclusion to this royal fantasy duology. Now on the run, Eva is desperate for answers about her transformation and her true heritage. Along with Aketo, a small contingent of guards, and the sister she could not kill, Eva flees Ternain in hopes of finding friends and allies to the north--not to mention Baccha--to help her decide what to do next. Princess Isa is a difficult, unremorseful captive, and Eva knows better than to trust her sister, but she wants to. Despite their history, Eva is convinced that to survive the growing unrest in the queendom, she and her sister must make peace. Since the Entwining ceremony, Eva's and Isa's lives have been bonded, and each can only die by the other's hand. This perhaps provides an opening for a truce and a more hopeful future for both the sisters and the queendom, if only Isa would see reason and give up the battle for the throne. With the two princesses on the run, the Queendom of Myre is on the brink of a revolution. And without Baccha to guide and train her magick, Eva must find a way not only to survive her own metamorphosis, but to unite all the people of Myre, including her sister, by finally taking the Ivory Throne. Cursed the moment he was born with a "demonic deformity," Valteri wants nothing of this earth except to depart it and will do his duty to his king until then. The truth is that Valteri isn't just a knight of William the Conqueror. He is the son of one of the deadliest powers in existence, and if he doesn't restore Ariel to her place, she is not the only one who will be in peril. The world itself hangs in the balance, and he is the necessary key to hold back the powers of evil. Print run 250,000. The Shadowhunters must catch a killer in Edwardian London in this dangerous and romantic sequel to the #1 New York Times bestselling novel Chain of Gold, from New York Times and USA TODAY bestselling author Cassandra Clare. Chain of Iron is a Shadowhunters novel. Cordelia Carstairs seems to have everything she ever wanted. She's engaged to marry James Herondale, the boy she has loved since childhood. She has a new life in London with her best friend Lucie Herondale and James's charming companions, the Merry Thieves. She is about to be reunited with her beloved father. And she bears the sword Cortana, a legendary hero's blade. But the truth is far grimmer. James and Cordelia's marriage is a lie, arranged to save Cordelia's reputation. James is in love with the mysterious Grace Blackthorn whose brother, Jesse, died years ago in a terrible accident. Cortana burns Cordelia's hand when she touches it, while her father has grown bitter and angry. And a serial murderer is targeting the Shadowhunters of London, killing under cover of darkness, then vanishing without a trace. Together with the Merry Thieves, Cordelia, James, and Lucie must follow the trail of the knife-wielding killer through the city's most dangerous streets. All the while, each is keeping a shocking secret: Lucie, that she plans to raise Jesse from the dead; Cordelia, that she has sworn a dangerous oath of loyalty to a mysterious power; and James, that he is being drawn further each night into the dark web of his grandfather, the arch-demon Belial. And that he himself may be the killer they seek. Danger to the world revolves around an eccentric archaeologist's controversial work on Gobekli Tepe and the search for an ancient source of power. Victor Hugo spent years in political exile off the coast of Normandy. While there, he produced his masterpiece, Les Misérables--but that wasn't all: he also wrote a book-length poem, La Fin de Satan, left unfinished and not published until after his death. Satan and his Daughter, the Angel Liberty, drawn from this larger poem, tells the story of Satan and his daughter, the angel created by God from a feather left behind following his banishment. Hugo details Satan's fall, and through a despairing soliloquy, reveals his intent on revenge, yet desiring God's forgiveness. The angel Liberty, meanwhile, is presented by Hugo as the embodiment of good, working to convince her father to return to Heaven. This new translation by Richard Skinner presents Hugo's verse in a unique prose approach to the poet's poignant work, and is accompanied by the Symbolist artist Odilon Redon's haunting illustrations. No adventurous reader will want to miss this beautiful mingling of the epic and familial, religious and political. A heart breaking disappearance leads to an even more devastating re-emergence. And nothing will ever be the same again. Life without Delaney McPhearson has not been easy. Yet difficult as it may be, for those who love her, life must go on. Years have now passed since Delaney was last seen, but the governments of the world won't leave her in peace. Events across the globe point to a re-emergence of the Fallen and governments are wondering aloud what Delaney's role is in their appearance. Those close to Laney though discover a disturbing pattern linking the re-emergence to one of the world's cruelest chapters in world history. As the body count rises, the struggle to find the truth matches its pace. But this search won't be confined to the premiere museums of the world or stuffy old texts. No, this one will take them to the very ends of the Earth. The devil has been my fated mate for all of time. But can I forgive him for what he's done? Lucifer and Eve. Hades and Persephone. Lucas and Hannah. We're dark and light. Wrong and right. Day and night. I've lived a hundred lives, and in each one he finds me and claims me--and then I die. Violently. Usually in his arms. We're inevitable...and cursed. Until now. With a shocking act of violence, Lucifer broke the curse and ended our wicked cycle. I've been reborn for the last time, but at what cost? Can we stop the evil we've unleashed upon the world? Lucifer and Hannah's story continues in the sinfully sexy second book in the Claimed By Lucifer trilogy. Samyaza's death wasn't the end of the war between the forces of good and the forces of evil. It was the beginning of a whole new fight. _____ Delaney McPhearson has been pulled from one crisis to the next since Samyaza's death. Trying to put out each fire as they pop up, while simultaneously trying to tamp down public fears about the Fallen, she is being stretched impossibly thin. And that's part of the plan: keep Laney so busy that she doesn't realize what her government is up to until it is too late. Everyone related to Delaney is in the government's crosshairs. There is no way for Laney to protect them all. In fact, they made sure there was no way for her to protect any of them. Just a little Love Bite: Accepting your past, for good or ill, is key to moving forward. "Over decades, evidence of an incredible treasure, hidden in the forests of Ecuador, had been gathered by a Roman Catholic priest. The rumors of the treasure date back to the Conquistadors and tales of storehouses of Incan gold. But Professor Delaney McPhearson believes the treasure is older than the Incas. Much older. As Atlantis was coming to an end, three libraries of knowledge and artifacts were hidden across the globe. Laney believes one of those hiding spots is the extensive tunnel system underneath Ecuador. Laney knows she's getting close to the ancient collection. But her research trip quickly turns into a brutal race for survival. For another group is also looking for the collection. And they will eliminate anyone and anything in their way."--Back cover. Behold Earth's most complete guide to the black magick of Belial, humanity's official contact with the first Demonic Gatekeeper from the Outer Darkness. None enter into the Infernal Empire without first passing through Belial's Gate. This four-grimoire compendium by top black magicians E.A.

Koetting, Kurtis Joseph, Asenath Mason & Edgar Kerval reveals the TRUE story of Belial and the Ancient Covenant between demons and humans for the FIRST time ever. * Embark on a magick journey with the Nine Demonic Gatekeepers Saga, featuring humanity's official contact with prehistoric diplomats from the Outer Darkness: Belial, Lucifer, Azazel, Abaddon, Lucifuge, Beelzebub, Baal, Asmodeus & Satan. Available only with Become A Living God, this series features the world's top authors like E.A. Koetting, Kurtis Joseph, Asenath Mason, Michael W. Ford, S. Connolly, and many more. * View a table of contents below: Timothy - Prologue Book 1 - E.A. In the name of the greater good. That's the motto for St. Michael's Academy, the illustrious and renowned school for future Guardians. Demons roam the earth, terrorizing humans, and it's up to the Shadowguard to stop them. My name is Aspen Van Der Klay. I grew up ignorant of the real world. My mom hid the truth from me, but her death spurred a series of events which landed me right in the middle of Shadowguard Society. Now, I'm determined to be the best Guardian this world has ever seen. I won't let anything stop me. Not the uppity elites, not my bigoted instructors, and certainly not my disapproving mentor who is just as likely to make my heart race as my blood boil. When Guardians start to go missing, it's up to the Shadowguard to figure out what's happening. Our numbers are dwindling, and we can't afford to let the demons discover our weakness. There's a great threat on the horizon, and I fear Guardians might not have what it takes to stop it before it's too late. Fans of Vampire Academy and Shadow Hunters will devour this newest series by USAT Bestselling author Samantha Britt. *This book is intended for readers 16 years of age or older. Demon Guard contains aspects of violence, foul language, and romance. Delaney McPhearson is the only one with a chance to save a world gone mad. But it will require her to sacrifice everything. And everyone. _____ Sergei Yanovich aided Elisabeta in her attempt to take over the world. Now, after months of hiding, he's going to cash in. Because he knows Elisabeta's greatest and most lucrative secret. Delaney McPhearson is also in hiding. But she's not cashing in. Governments across the globe are cracking down on the enhanced among them. No criminal activity, no dangerous behavior is required for individuals to get caught in the government's crosshairs. The world has declared all Fallen and their families enemy number one. In the middle of that storm, Laney is trying to help as many as she can while staying one step ahead of their governments. But soon, some of those governments trying to kill her will turn to her when they realize she is their last hope. But to save them all, she must risk everyone and everything dear to her. But a handful of lives is worth saving billions, right? From Amazon best-selling author R.D. Brady, the latest edge of your seat thriller in the Belial Rebirth series, told with her unique blend of ancient history, religious texts and pulse pounding action. The violence in Antarctica was only the beginning . . . A new enemy has appeared on the world stage. Gedeon Malik and his followers move with the speed and power of the Fallen, but they are not Fallen. The Fallen no longer exist. Delaney McPhearson and countless others sacrificed a great deal to make sure of that. But Laney fears this threat is just as grave as the one posed by Elisabeta. And it looks as if the danger is only increasing, not just to Laney, but to the ever-expanding group of people she cares for. Keeping everyone safe seems an impossible task. But Laney and her team have done the impossible before. Those successes, though, were when most of Laney's allies had the abilities of the Fallen that levelled the playing field against a highly powered enemy. Now, only Laney has the innate ability to go up against Gedeon. And she knows she alone will not be enough. The only option that might turn the tide is a radical one. But will it work or just take more of their players off the field? And if it does work, will even that be enough? Or after everything Laney and her crew have been through together, have they finally run into one enemy that they simply can't defeat? Fans of Cassandra Clare's Mortal Instruments series will be drawn to Wendy Higgins's sexy, thrilling Sweet Evil series. What if there were teens whose lives literally depended on being bad influences? This is the reality for sons and daughters of fallen angels. Tenderhearted Southern girl Anna Whitt was born with the sixth sense to see and feel emotions of other people. She's aware of a struggle within herself, an inexplicable pull toward danger, but Anna, the ultimate good girl, has always had the advantage of her angel side to balance the darkness within. It isn't until she turns sixteen and meets the alluring Kaidan Rowe that she discovers her terrifying heritage and her willpower is put to the test. He's the boy your daddy warned you about. If only someone had warned Anna. Forced to face her destiny, will Anna embrace her halo or her horns?
