She's more than ready to start tempting Rever into finding his own happiness...with her. Callan Lyons is a genetic experiment. One of six fighting for freedom and the survival of their Pride. Merinus Tyler is the reporter who will tempt him, draw him, until the fury of the "mating frenzy" locks them into a battle of sexual heat there is no escape from. his power to keep his woman in the process. Tammy has always tried to be prepared for any calamity life might send her way but she never imagined a sexy, lion man-beast in her future. He's huge, got the most exotic, golden cat-eyes she's ever seen, and she's so terrified she's speechless for the first time in her life. He's stalking closer, growling at her, and she's too terrified to even flee. Valiant hates humans. But when he gets a whiff of the adorable human female who has invaded his territory, he starts rethinking. Her fear scents of pure, sweet temptation and the closer he gets, the more appealing she becomes. Once he's got his

hands on her, he isn't about to let her go. One thought will change his life. Mine! Before Tammy can regain her senses, she's flat on her back in Valiant's bed. Now he just has to use every inch of his big, buff body to convince her that she should stay with him forever. Dawn is intent on melting Iron's icy resolve to never fall in love with a human. He's winning her heart and she's determined to win his right back. These two redheads have just met their matches.
