As an internationally respected teacher and lecturer on the Twelve Step method introduced by Alcoholics Anonymous, Joe McQ knows that sponsorship is a key construct for the success of the program because it involves moving a person through the Twelve Step process to recovery. *Carry This Message* addresses McQ's concern that sponsors have lost some skills in working with alcoholics. Metaphors and exercises play an incredibly important part in the successful delivery of acceptance and commitment therapy (ACT). These powerful tools go far in helping clients connect with their values and give them the motivation needed to make a real, conscious commitment to change. Unfortunately, many of the metaphors that clinicians use have become stale and ineffective. That's why you need fresh, new resources for your professional library. In this breakthrough book, two ACT researchers provide an essential A-Z resource guide that includes tons of new metaphors and experiential exercises to help promote client acceptance, defusion from troubling thoughts, and values-based action. The book also includes scripts tailored to different client populations, and special metaphors and exercises that address unique problems that may sometimes arise in your therapy sessions. Several ACT texts and workbooks have been published for the treatment of a variety of psychological problems. However, no one resource exists where you can find an exhaustive list of metaphors and experiential exercises geared toward the six core elements of ACT. Whether you are treating a client with anxiety, depression, trauma, or an eating disorder, this book will provide you with the skills needed to improve lives, one exercise at a time. With a special foreword by ACT cofounder Steven C. Hayes, PhD, this book is a must-have for any ACT Practitioner. In popular usage, "mysticism" typically refers to New Age or Eastern forms of spirituality. However, the mystical tradition is also an important component of the Christian tradition. At its heart--and much like its expression in other faith traditions--Christian mysticism is an ancient practice that incorporates meditation, contemplation, worship, philosophy, the quest for personal enlightenment, and the experience of Divine presence. This volume is a comprehensive introduction and guide to Christian mysticism. It is a big book about a big possibility: the hope of achieving real, blissful, experiential union with God. Among the topics covered here are a general introduction to mysticism, the Bible and mysticism, the history and types of Christian mysticism, biographical sketches of leading Christian mystics, and practical instructions about practicing mysticism today. This is a breathtaking work that explores a form of spirituality that has changed lives over the course of 2,000 years. Learning about Christian mysticism and how it has been articulated through the centuries will prove inspirational for today's seekers, regardless of the faith tradition. "The mystic is not a special kind of person; every person is a special kind of mytic." --William McNamara

It will empower legions of women to step into their greatness.' ELIZABETH GILBERT, author of EAT, PRAY, LOVE 'One of the most important books in my life. If you want to achieve anything, or simply be less stressed, this book will help you do it. In it you will find your voice, your ability, your self-confidence and perhaps even your mission in life. Buy it. Pass it on.' SHIRLEY CONRAN The groundbreaking book that gives every woman the practical skills they need to begin PLAYING BIG. Five years ago, Tara Mohr began to see a pattern in her work as an expert in leadership: women with tremendous talent, ideas and aspiration were not recognising their own brilliance. They felt that they were playing small' in their lives and careers and wanted to play bigger', but didn't know how. And so Tara devised a step-by-step programme for playing big from the inside out: this book is the result. Many women are aware of the changes they need to make to be more successful, but they don't know how to become that more confident woman they'd like to be.
