Discover the book "The Main Qualities of a Successful Person: Practical tips for creating a strong personality" Who among us does not dream of success? Perhaps is all. But not everyone knows how to achieve success. What makes a person successful and what qualities should successful people develop in themselves for real victories? Let's see. Only the laziest (and, most likely, unsuccessful) does not speak and think about how to become successful. A lot of seminars, training, and meetings are held on this topic, people build theories, create rules, and derive formulas for success. Something of this works, but something is not, because the magic pill does not exist, and the injection of success has not yet been invented. However, in the course of long observations of humanity, it was possible to identify a number of qualities that distinguish a successful person from an unsuccessful one. What is a successful person? What are the qualities of character and skills necessary to achieve success? How to balance the positive and negative qualities of your personality so that they do not interfere with each other? Answer these questions you will receive in this book. Scroll up and click the Buy Now button at the top right of this page for immediate purchase! Imagine running a successful local business with time

on your hands. Sounds like a dream, right? It doesn't have to be. After 10 years in small business I've come to the conclusion that a successful business looks like this: It's one that's both profitable, and also set up so the business owners have the emotional resilience to surmount all the challenges thrown their way. Over the years I've signed up for hundreds of courses and downloaded countless free e-books and resources. Resources that suggested I should: -Implement complex marketing strategies. -Spend absurd amounts of time developing products that may never sell. -Approach business in a way that was fundamentally opposed to my personal, professional or lifestyle goals. It's hard to find and attract "solid" clients who will turn into repeat customers and attract others. So, what are best practices for capturing quality leads? This book will share a step-by-step guide to identifying and attracting profitable customers to your business. You'll learn about the process of starting a business and insights on how to target paying customers through: - Planning for success - Highlights - Market analysis - Customer profile - And much more! The phase of your business is starting up! It's important to state from the outset that there is no magic bullet that can transform you into a rich and successful entrepreneur overnight. However, for those prepared to work hard to succeed, there is an almost formulaic blend of entrepreneurial skills that can help set successful businessmen and women apart from the rest This book was created as an easy-to-read guide on how to run a successful business.
