Witchcraft Goddess Rituals Spellcasting And Other Womanly Arts Zsuzsanna E Budapest, as one of the most effective sellers here will entirely be in the middle of the best options to review.

The second Ladies of Lantern Street novel from Amanda Quick explores the crimes, passions and paranormal secrets of Victorian London. Under the plain gray skirts of Miss Beatrice Lockwood's gown, a pistol waits at the ready. For Beatrice is a paid companion on a secret mission—and with a secret past—and she must be prepared to fight for her life at any moment. Yet she is thrown oddly off guard by the fierce-looking man who joins her in foiling a crime outside a fancy ball—and then disappears into the shadows, leaving only his card. His name is Joshua Gage, and he claims to know Beatrice's employers. Beyond that, he is an enigma with a hypnotically calm voice and an ebony-and-steel cane. . . . Joshua, who carries out clandestine investigations for the Crown, is equally intrigued. He has a personal interest in Miss Lockwood, a suspected thief and murderer, not to mention a fraudster who claims to have psychical powers. The quest to discover her whereabouts has pulled him away from his mournful impulses to hurl himself into the sea—and engaged his curiosity about the real Beatrice Lockwood, whose spirit, he suspects, is not as delicate as her face and figure. He does know one thing, though: This flame-haired beauty was present the night Roland Fleming died at the Academy of the Occult. Guilty or not, she is his guide to a trail of blood and blackmail, mesmerism and madness—a path that will lead both of them into the clutches of a killer who calls himself the Bone Man. . . .

How to enhance well-being by reconnecting to sacred womanhood • Shares ways to embody the power, wisdom, and compassion of the Great Mother • Reveals a woman's purpose is to give birth not only to new life but also to new levels of consciousness • Shows how female illnesses represent a disconnection from our true identity as women

Four thousand years ago, women were seen as living representatives of the Great Mother, whose cyclical and potent energy gave birth to all existence. Today, this sacred awareness has been lost or distorted, causing a collective amnesia among women around the world. However, there is one symbol of the Great Mother's loving presence that has remained unchanged for tens of thousands of years: the physical body. Its curves, sensuality, softness, and monthly flow are constant reminders of this deep loving connection. When illness appears, especially within the breasts and fertility organs, a woman is being reminded to return to her pure and sacred identity, where death and birth are essential for growth and love flows without expectations. Combining more than 30 years' experience in health care with in-depth research into the history and mythology of the divine feminine, Christine R. Page, M.D., reveals that women are the foundation of the birth of new levels of consciousness, without which the evolution of humanity will become barren and dry. Yet, such birth can occur only when women have the courage to reject the beliefs and images of the feminine imposed upon them four thousand years ago and reclaim their true identity. Through a fascinating journey into the body, Dr. Page shows the importance of self-love and self-respect and explains how sex is a natural process of unification where women take the lead, similar to the ancient sacred priestesses. Dr. Page reminds women to reconnect to the potent and creative energy of Mother Earth, which gives power to the intuitive voice of the heart and

nurtures new seeds of inspiration and enlightenment through the womb. A dictionary of over 117 women mystery authors giving details on their lives and their writing habits. "If Jane Austen had written Miss Marple, she would have been Dido Kent, the inquisitive spinster."--Kirkus (starred review) *A Woman of Consequence*, the third installment in Anna Dean's charming mystery series, opens with a visit to the ruins of an Abbey where Penelope Lambe, suffers a bad fall from the ancient stone steps. Before she slips into unconsciousness, Penelope manages to say, 'I saw her—It was her.' Soon people are certain that she saw the Grey Nun, a ghost reputed to walk the abbey's ruins. Miss Dido Kent, however, does not approve of ghosts. Disregarding everyone else's assumptions, and endeavoring to take her mind off the troubles of her family, Dido turns her energy toward solving the mystery. But events start to seem more sinister when a human skeleton is found at the abbey. Is Miss Lambe's accident connected to this discovery? Everyone is relying on Dido to find out. A captivating continuation of the Dido Kent series: rich in suspense, historical detail, and most of all, characters. Inspired by the novels of Jane Austen, this new mystery series set in 19th-century London introduces the charming and resourceful Rosalind Thorne, a woman privy to the secrets of high society—including who among the ton is capable of murder... The daughter of a baronet and minor heiress, Rosalind Thorne was nearly ruined after her father abandoned the family. To survive in the only world she knew, she began to manage the affairs of some of London society's most influential women, who have come to rely on her wit and discretion. So, when aristocratic wastrel Jasper Aimesworth is found dead in London's most exclusive ballroom, Almack's, Rosalind must use her skills and connections to uncover the killer from a list of suspects that includes Almack's powerful patronesses and her former suitor Devon Winterbourne, now Lord Casselmaine. Torn between her old love and a growing attraction to a compelling Bow Street runner, Rosalind must not only unravel the mysteries surrounding Jasper's death, but the mysteries of her own heart as well... "A prequel to the Charles Lenox series"--Jacket. Amelia Peabody is Elizabeth Peters' most brilliant and best-loved creation, a thoroughly Victorian feminist who takes the stuffy world of archaeology by storm with her shocking men's pants and no-nonsense attitude! In this first adventure, our headstrong heroine decides to use her substantial inheritance to see the world. On her travels, she rescues a gentlewoman in distress - Evelyn Barton-Forbes - and the two become friends. The two companions continue to Egypt where they face mysteries, mummies and the redoubtable Radcliffe Emerson, an outspoken archaeologist, who doesn't need women to help him solve mysteries -- at least that's what he thinks! 'Think Miss Marple with early feminist gloss crossed with Indiana Jones... Dastardly deeds, whirlwind romances, curious mummies and all the fun and intrigue of Egyptian excavations, with a heroine who wields a sturdy parasol rather than a magnum. Accomplished entertainment.' Guardian There are physical and psychological experiences and rites of passage common to all women's lives, crossing the boundaries of age, class, culture, race, sexual orientation, and religion. While women have a great hunger for ritual to reflect the events in their lives, they often do not know how to begin. For many, the very thought of creating their own rituals is too intimidating, and instead wait for others to take the lead, or simply suppress their own needs, desires, and dreams. Consequently, many women lead lives that too often are physically, emotionally, and

spiritually unfulfilled. Finally, comes an author who seeks to provide women with the tools to address and fulfill their own needs for meaning that is sourced from their own intuitive knowing. Together, with open minds and hearts, we can learn to shape chaos and human needs into works of great power and beauty. *Women's Rites, Women's Mysteries* is a practical and magical, one-of-a-kind guide and resource for both creating and facilitating Goddess and female-centered rituals. Written for individuals and groups, both beginners and experienced ritualists alike, Dianic High Priestess and seasoned ritualist Ruth Barrett guides women through a unique step-by-step process, with practices that weaves personal need with an individual or group's intuitive creativity. Barrett demystifies the components of how to design and facilitate an effective ritual for any significant occasion, seasonal holy day, or life-cycle event. Unique from other books on ritual, Barrett emphasizes energetics for ritual, delving into the awareness and conscious working of energy to intentionally align, support, and carry out the ritual's purpose. From personal energetic preparation, preparation for group ritual facilitators and participants, Barrett provides practices and suggestions for this important and often overlooked aspect of the ritual experience. *Women's Rites, Women's Mysteries* is specifically not a didactic ritual "cookbook," that tells the reader exactly what to do, but rarely explains the reason or motivation behind a given enactment or symbol. Ruth Barrett teaches women how to think like a ritualist and develop the inner tools needed to create meaningful rituals for themselves and with others. Beginning with a discussion on the power of women's ritual and the importance of women creating their own ritual experiences, Barrett proceeds with how to use intuition to develop a ritual's purpose, how to work with energy that supports the ritual theme, creating enactments, appropriate structure, creating invocations, and an overview of a female-centered Wheel of the Year for seasonal celebrations. Barrett brings four decades of experience providing ritual facilitation, to discuss the personal and practical skills needed when creating, preparing for, and facilitating small or large group rituals that open to the public - a must for women drawn to providing rituals for others. Rarely addressed in print before is the topic of how to evaluate a ritual in order to constantly learn and improve them. A variety of magical techniques with applications for ritual and spellcraft are woven throughout the book that enhance and deepen a woman's relationship with herself and the powers of nature. Barrett substantially discusses her perspective on the roles and responsibilities of the Priestess in ancient and contemporary times, the herstory and cosmology of the feminist Dianic tradition, its foundational spiritual tenants based on female embodiment, spiritual service, and as a spiritual feminist tool for women to heal from internalized patriarchal oppression. In a sweeping synthesis of American history, Mary Ryan demonstrates how the meaning of male and female has evolved, changed, and varied over a span of 500 years and across major social and ethnic boundaries. She traces how, at select moments in history, perceptions of sex difference were translated into complex and mutable patterns for differentiating women and men. How those distinctions were drawn and redrawn affected the course of American history more generally. Ryan recounts the construction of a modern gender regime that sharply divided male from female and created modes of exclusion and inequity. The divide between male and female blurred in the twentieth century, as women entered the public domain, massed in the labor force, and revolutionized private life. This transformation in

gender history serves as a backdrop for seven chronological chapters, each of which presents a different problem in American history as a quandary of sex. Ryan's bold analysis raises the possibility that perhaps, if understood in their variety and mutability, the differences of sex might lose the sting of inequality. The compelling, gorgeously atmospheric tale of love, betrayal and innocence, inspired by the incredible true story of female convicts 'Beautifully written, an epic sea voyage with an intriguing murder mystery . . . an unputdownable read' KATIE FFORDE 'I was thoroughly entranced by the story, and the great murder mystery kept me guessing throughout. A real joy to read' 5***** Reader Review 'A gorgeous and compelling story with vibrant characters . . . I was fascinated' RACHEL HORE _____ Kezia Hayter knows these women aren't dangerous. One hundred and eighty petty convicts, all sentenced to transportation to Australia. On board the *Rajah*, Kezia makes it her duty to redeem them, enlisting a select few to create an intricate quilt. With each stitch, they are tied closer together. But when one woman is murdered, Kezia's work is threatened. She maintains faith in their innocence, even when the men leading the investigation do not. But if she can't find the killer, how can Kezia save them? Based on a real-life voyage, *Dangerous Women* is a sweeping tale of confinement, hope and the terrible things we do to survive. _____ 'An intriguing murder-mystery, skilfully written and bursting with colour and life' Lucy Atkins, author of *Magpie Lane* 'Dazzling. A captivating story filled with intrigue and dark secrets. An immensely satisfying tale of guilt, innocent and second chances' Emma Rous, author of *The Au Pair* 'A fabulous, page-turning novel that kept me gripped. It's impossible not to become engaged with these women' Jane Harris, author of *The Observations* 'This is a locked room mystery to end all locked room mysteries!' Sophie Bennett, author of *The Windsor Knot* Readers are entranced by *Dangerous Women*: 'I thoroughly enjoyed this clever, poignant tale of embroidery and murder on the high seas' 5***** Reader Review 'A wonderfully inspiring read, full of compassion and friendship. Full of the social history of the time, I enjoyed this book immensely' 5***** Reader Review 'A fascinating book about a group of women determined to survive' 5***** Reader Review 'I sat down and read *Dangerous Women* in one go. I don't think I could have put it down if the house was on fire!' 5***** Reader Review 'I have fallen in love with this story! I loved how all the women felt real and all their faults. A GEM of a book' 5***** Reader Review The murder of women priests in Norfolk's spooky shrine town of Walsingham draws forensic archaeologist Dr Ruth Galloway into a thrilling new adventure. 'Ever-more ingenious detective stories with a powerful sense of place' *The Times* When Ruth's friend Cathbad sees a vision of the Virgin Mary, in a white gown and blue cloak, in Walsingham's graveyard, he takes it in his stride. Walsingham has strong connections to Mary, and Cathbad is a druid after all; visions come with the job. But when the body of a woman in a blue dressing-gown is found dead the next day in a nearby ditch, it is clear that a horrible crime has been committed, and DCI Nelson and his team are called in for what is now a murder investigation. Ruth, a devout atheist, has managed to avoid Walsingham during her seventeen years in Norfolk. But then an old university friend asks to meet her in the village, and Ruth is amazed to discover that she is now a priest. She has been receiving vitriolic anonymous letters targeting women priests - letters containing references to local archaeology and a striking phrase about a

woman 'clad in blue, weeping for the world'. Then another woman is murdered - a priest. As Walsingham prepares for its annual Easter re-enactment of the Crucifixion, the race is on to unmask the killer before they strike again... "Edward Sri is a gifted teacher and an equally talented writer. This book shows why. He breaks open Karol Wojtyla's great text, *Love and Responsibility*, in a way that's clear, engaging and very practical for the challenges of daily life." – Charles J. Chaput, O.F.M., Archbishop of Philadelphia. This updated and expanded edition of Edward Sri's classic meditation on Pope John Paul II's *Love and Responsibility* includes a new introduction, new chapters for single people and engaged couples, and the stories of people whose lives have been transformed by Pope John Paul II's foundational teaching on relationships. Fr. Karol Wojtyla (Pope John Paul II) published *Love and Responsibility* in 1960, revealing a fully formed philosophy of marriage—in which full union can only be achieved when each partner prioritizes the well-being and self-realization of the other. His analysis of the true meaning of human love is life changing and practical, shedding light on real issues between men and women. In *Men, Women and the Mystery of Love*, Edward Sri unpacks the contents of this great work, making it accessible to every reader. He emphasizes the down-to-earth nature of *Love and Responsibility*, giving readers actionable advice on issues such as: • How to determine if a relationship is one of authentic love or is doomed to failure • The problem of pornography • The meaning of friendship • How to achieve greater intimacy in marriage Study questions with each chapter make this a valuable resource not only for individual personal reading, but also for small group study. *What Wild at Heart* did for men, *Captivating* is doing for women. Setting their hearts free. This groundbreaking book shows readers the glorious design of women before the fall, describes how the feminine heart can be restored, and casts a vision for the power, freedom, and beauty of a woman released to be all she was meant to be. In a small town, everyone is watching ... *Secrets, scandal and betrayal in 1950s small town Australia: the stunning new novel from bestseller Belinda Alexandra* She had thought *Shipwreck Bay* was simply a remote town where people were bored senseless with their little lives. Now she saw its virtuous facade hid something darker, more sinister. *Rebecca Wood* takes the role as postmistress in a sleepy seaside town, desperate for anonymity after a scandal in Sydney. But she is confronted almost at once by a disturbing discovery - her predecessor committed suicide. To add to her worries, her hopes for a quiet life are soon threatened by the attentions of the dashing local doctor, the unsettling presence of a violent whaling captain and a corrupt shire secretary, as well as the watchful eyes of the town's gossips. Yet in spite of herself she is drawn to the enigmatic resident of the house on the clifftop, rumoured to have been a Nazi spy. Against the backdrop of the turbulent sea, *Rebecca* is soon caught up in the dangerous mysteries that lie behind *Shipwreck Bay's* respectable net curtains. 'This intriguing mystery with its gothic undertones, its salute to *Du Maurier's Rebecca*, and its melange of colourful characters will have readers racing through the pages, trying to piece together the puzzles that have long haunted *Shipwreck Bay*. They'll also be cheering for main character *Rebecca* as she struggles against the societal norms of 1950s Australia, fighting to be true to her unconventional self, and to forgive herself - and to perhaps even find happiness.' *Natasha Lester*, bestselling author of *The Paris Secret* A women's spirituality classic now back in print! *The Holy Book of Women's Mysteries* is

essential for Pagans, feminists, and women seeking to learn more about the spiritual path as it relates to the feminine and the Goddess aspects of witchcraft and Wicca. This book is not about reinstating a matriarchy or tearing down patriarchy; it is about women's spirituality and its relationship with politics and lifestyle. Z. Budapest is one of the founding mothers of modern women's witchcraft, beginning with the establishment of Susan B. Anthony Coven in Los Angeles in 1971. She catapulted herself into the media spotlight when she was tried as a witch and found guilty in 1975 after being arrested on Venice Beach for reading tarot cards. She fought the charges and, after a nine year battle, won the right for every tarot reader to do so legally. The Holy Book of Women's Mysteries is a seminal text that contains invaluable information on Dianic witchcraft and spells, including everyday magick, sabbat rituals, and divination methods; a section on how vegetarian theories and politics relate to witchcraft and the feminine aspect; and a good deal of information on goddesses and how the patriarchal religions distorted old myths to serve their own needs. There are several unique and beautiful Rites of Passage for women and men that you don't often find, and Budapest's personal life stories are an equally valuable read, from her escape across the mountains from Communist Hungary to her fight for women's religious freedom upon moving to America. * This reprint features a new introduction by Z. Budapest, in addition to essays by luminaries such as Starhawk and Merlin Stone. The Homeric Hymn to Demeter, composed in the late seventh or early sixth century B.C.E., is a key to understanding the psychological and religious world of ancient Greek women. The poem tells how Hades, lord of the underworld, abducted the goddess Persephone and how her grieving mother, Demeter, the goddess of grain, forced the gods to allow Persephone to return to her for part of each year. Helene Foley presents the Greek text and an annotated translation of this poem, together with selected essays that give the reader a rich understanding of the Hymn's structure and artistry, its role in the religious life of the ancient world, and its meaning for the modern world. Are you eager to be seen as a beautiful woman standing in her power? Do you want to feel the joy of flowing with your body's own natural rhythms? Is it time to become rooted in Mother Earth and embody her fiery dragon energy? Are you ready to stop trying to be a mini-man and become a female pioneer and leader? If the answer to these questions is "yes", then the Handbook of Women's Mysteries is for you--whatever your age There's a tsunami of change moving across the planet. Women and girls are stepping forward to be seen, heard and respected for their unique female gifts and power, not as mini-men but as fully empowered and beautiful leaders of the future. In ancient times, every girl was taught the mysteries of womanhood from puberty onwards. But these teachings went underground 3,500 years ago with the rise of the patriarchy. This handbook aims to unearth these mysteries so they can be shared with women and girls everywhere. When women embrace their inner strengths, align to their natural rhythms and embody their creative powers, a new world of peace, cooperation, and abundance will be born. Do you want to know how to unlock the secrets of women's mind? Do you want to master the body language to look more attractive and date the women you have always dreamt about? Then this book is for you! Having a beautiful woman in your life is a must every man should aspire to, but unfortunately, it is not always so easy. Nowadays women are more and more demanding, that is why you need to understand their psychology and what they like to see in a man.

You do not need a bunch of techniques nor mind games to achieve the success with women, but there are just few main basic concepts you absolutely have to master. Below the main topics this book covers and what you will learn: - The secrets you need to know to understand women and their psychology; - Why the most common dating advices you hear is wrong and what women really respond to; - The conversational strategies that will help you catch women's attention and hot to master all the steps to invite here out; - The body language dynamics you have to master to look more attractive and turn women on; - The most common mistakes men make on the first date and how to avoid them. Other reason why you should buy this book? Because it offers tips and strategies that you will not find in any other book at this price. With such small investment you will know how to successfully pickup women in any kind of contexts. The choice is yours! So what are you waiting for? Buy this book now, and begin your journey to get the women you always wanted! A widow in a mansion. Dark secrets. And poison, deadly poison. After amateur detective Molly Sutton stumbles on a dead body, she wastes no time before eavesdropping and elbowing her way into conversations all over the French village of Castillac. But when Chief Dufort is about to clap handcuffs on the wrong man, she's got to do more than chat to save him. Will she have the stuff--and the skill--to pull it off? The Luckiest Woman Ever is the second book in the Molly Sutton Mystery series. (Though you learn more about Molly and her friends reading the books in order, the mysteries are standalone.) If expertly woven cozy mysteries, characters with depth, and detectives with a taste for French food are your thing, Nell Goddin's tales of murder will be right up your alley. 'Marvellous.' Daily Mail 'A stunning achievement.' Sunday Times, BOOK OF THE MONTH 'A gripping novel with a difference.' Psychologies 'Immersive and immensely powerful.' Guardian 'A haunting read but a quite brilliant one.' Independent i 'Intense, brutal and glittering, a call to listen to the voices of the ignored.' Observer The dancer. The mother. The cop. The artist. The wife. These women live by countless unspoken rules. How to dress; who to trust; which streets are safe and which are not. The rules grow out of a kaleidoscope of fear, anguish, power, loss and hope. Maybe it is only these rules which keep them alive. When their neighbourhood is rocked by two murders, the careful existence these women have built for themselves begins to crumble. 'Pochoda turns grief, suffering and loss into art, crafting a literary thriller that is no less compelling for its deep emotional resonance.' Vogue What readers are saying: 'Gritty and addicting.' 'The kind of storytelling you hope to find in your movie theaters one day.' 'Pochoda weaves a mystery that not only had me turning the page, but dwelling on lines of prose.' 'This book was far from what I was expecting it to be . . . I couldn't tear myself away.' 'I devoured it in one sitting . . . I LOVED IT.' 'This is one of those books that tears into you and doesn't let you go - even after you read the last page.' 'Megan Abbott at her very best. Cool, crisp, chilling.' Paula Hawkins, author of *The Girl on the Train* Kit has risen to the top of her profession. She's on the brink of achieving everything she wanted, but someone is standing in her way - Diane. Diane made Kit who she is today, lit the ambition that's driven her - and now she knows something that could burn Kit's world to the ground. But Diane has a secret of her own, and Kit hasn't forgotten. She remembers the worst thing Diane ever did, and how it blew their friendship apart. Diane is beginning to think that Kit is just like her. *Ambition: It's in the blood . . . Give Me Your Hand*

is a blistering thriller from Megan Abbott. It is 1921 and Mary Russell--Sherlock Holmes's brilliant apprentice, now an Oxford graduate with a degree in theology - is on the verge of acquiring a sizable inheritance. Independent at last, with a passion for divinity and detective work, her most baffling mystery may now involve Holmes and the burgeoning of a deeper affection between herself and the retired detective. Russell's attentions turn to the New Temple of God and its leader, Margery Childe, a charismatic suffragette and a mystic, whose draw on the young theology scholar is irresistible. But when four bluestockings from the Temple turn up dead shortly after changing their wills, could sins of a capital nature be afoot? Holmes and Russell investigate, as their partnership takes a surprising turn. Many aspects of British detective fiction are intriguingly different from the American detective fiction. And, confusingly, many of the British women detectives who have made it to American television are far from typical of the latest women detectives. This work is a study of British detective fiction with female protagonists written by women. Authors included are P.D. James, Jennie Melville, Liza Cody, Val McDermid, Joan Smith and Susan Moody. Special attention is paid to the evolution of the British female sleuth from the 1960s to the year 2000, particularly the 1980s, and how this shaped and altered detective fiction. Also discussed is the effect of the British judicial system and gun laws on detective fiction and real life, the types of crimes women detectives usually investigate, why certain directions have been taken and which ones may be taken in the future, issues being raised by the authors, and new women authors of detective fiction with female protagonists. Ellie St. Clair has a brand-new series! Read Book One in the Unconventional Ladies Series - Regency ladies in unconventional roles find love in unexpected ways! She's determined to make a difference...Raised to believe the world is open to her, Lady Phoebe Winters reads periodicals and newspapers with growing upset. Everything within her world is shaped by a man's point of view. Why must women stand idly by, being told what to do and how to do it? It seems to be accepted within their society -- until she decides to do something about it. Using her inheritance, she begins a small publication, written by women, for women. It's a risk, but one for which she is willing to sacrifice. He's intent on stopping her...Jeffrey Worthington, the Marquess of Berkley, has held a position of responsibility since the death of his father at a young age. He is a man who enjoys the constancy of life. Despite the fact that his four sisters and younger brother are forever demanding his time and attention, he maintains order and control of all other aspects of life. As they grow closer, secrets become harder to keep...The Women's Weekly begins to cause a stir among women of the nobility, and the peerage determines it must be shut down before it causes consequences from which they could never recover. Jeffrey is tasked with finding the perpetrator and halting production of the publication. He reluctantly agrees, despite the fact that it will detract from his attempt to court the lovely Lady Phoebe, and causes growing controversy between the two of them. When he finally determines the publication's owner, what will he put first -- love or duty? Read for FREE in Kindle Unlimited! In this remarkable book, Martha Hailey DuBose has given those multitudes of readers who love the mystery novel an indispensable addition to their libraries. Unlike other works on the subject, *Women of Mystery* is not merely a directory of the novelists and their publications with a few biographical details. DuBose combines extensive

research into the lives of significant women mystery writers from Anna Katherine Green and Mary Roberts Rinehart with critical essays on their work, anecdotes, contemporary reviews and opinions and some of the women's own comments. She takes us through the Golden Age of the British women mystery writers, Christie, Sayers, Marsh, Allingham and Tey, to the leading crime novelists of today, focused on the women who have become legends of the genre. And though she laments, "so many mysteries, so little time," she makes a good effort mentioning "some of the best of the rest." When DuBose writes of the lives of her principal players, she relates them to their times, their families, their personal situations and above all to their books. She subtly points out that Sayers, whose experience with the men in her life was inevitably disastrous, created in Lord Peter the ideal lover -- one who is all that a woman desires and needs. DuBose gives us the curriculum vitae that Dorothy Sayers created to help her bring Peter Wimsey to a virtual actuality. Ngaio Marsh would give up an active presence in the theatrical world she loved, but she recreated it for herself as well as her readers in many of her novels. The biographies of these women are as engrossing as the stories they wrote, and Martha DuBose has shined a different, intimate and intriguing light on them, their works, and the lives that informed those works. This book is so full of treasure it's hard to see how any mystery enthusiast will be able to do without it. And what a gift it would make for anyone on your list who has been heard to announce "I love a mystery." Some of the treats inside: In the Beginning: The Mothers of Detection Anna Katherine Green Mary Roberts Rinehart A Golden Era: The Genteel Puzzlers Agatha Christie Dorothy L. Sayers Ngaio Marsh Margery Allingham Josephine Tey Modern Motives: Mysteries of the Murderous Mind Patricia Highsmith P.D. James Ruth Rendell Mary Higgins Clark Sue Grafton and more!! Winner of the 2011 Blue Peter Book of the Year Award, DEAD MAN'S COVE is the first book in a gripping adventure series about eleven-year-old ace detective, Laura Marlin, from award-winning author Lauren St John. When orphaned Laura Marlin moves from a children's home to live with her uncle in Cornwall, she longs for a life of excitement just like the characters in her favourite detective novels. A real life adventure is on hand as she is deposited at her uncle's spooky house . . . Why does her uncle, Calvin Redfern, forbid her to go to Dead Man's Cove? What's the truth about Tariq, the silent Indian boy who lives with the flamboyant Mukthars? Who is J? Who has left the message in a bottle for Laura to discover? Mysteries abound and who better to solve them than Laura Marlin, ace detective? Accompanied by her trusty companion, Skye, a three-legged husky, the dog she's always wanted, Laura's adventures begin in this first captivating mystery. In this sensitive and revealing biography of Agatha Christie, Gillian Gill probes the mysterious private life and motivations of one of the bestselling authors of all time and discovers a brilliant and eccentric woman whose passionate search for success was balanced by an obsession with privacy. The break-up of Agatha's first marriage to Archibald Christie and her subsequent ten-day disappearance had made headline news. Feeling hunted and wounded by the press, Christie determined never again to let them into her private life. Instead she developed a public persona - seemingly tongue-tied and dull - which ensured the journalists and the public would let her be. This successful strategy helped to account for a happy second marriage and family life as well as an astonishing literary productivity. Skillfully weaving the details of Christie's life with

the plots and characters of her mystery novels, Gillian Gill uncovers the flesh-and-blood woman behind the popular and celebrated Marple-like image, and establishes Agatha Christie as a unique and determined person whose fictional creations sparked the imagination of millions around the world. The series that inspired the Netflix show *Lupin*. A chance encounter irrevocably alters the course of one man's life, and the tensions between France and Germany boil over... In "The Woman of Mystery", Leblanc paints a wonderful tale of WWI in France, twined together with the mystery surrounding the murder of main character Paul's father. In 1898, a young boy watches in horror as his father is stabbed to death by a mysterious woman wearing a black lace scarf and an ornate brooch, Years later, when he arrives with his new bride at the chateau that was part of her dowry, he sees in a portrait the face of his father's murderer, wearing the same black lace and brooch -- his wife's late mother. Then he himself is attacked by a man resembling that same woman. Torn between love and repulsion for his bride, and plagued by self doubt, he answers the call to arms as world war begins. An exploration of the connections between feminine consciousness and altered states from ancient times to present day • Explores the feminine qualities of the psychedelic self, ancient female roots of shamanism, and how altered states naturally tap into the female archetype • Discusses feminist psychedelic activism, female ecstasies, goddess consciousness, the dark feminine, and embodied paths to ecstasy • Includes contributions by Martina Hoffmann, Amanda Sage, Carl Ruck, and others Women have been shamans since time immemorial, not only because women have innate intuitive gifts, but also because the female body is wired to more easily experience altered states, such as during the process of birth. Whether female or male, the altered states produced by psychedelics and ecstatic trance expand our minds to tap into and enhance our feminine states of consciousness as well as reconnect us to the web of life. In this book, we discover the transformative powers of feminine consciousness and altered states as revealed by contributors both female and male, including revered scholars, visionary artists, anthropologists, modern shamans, witches, psychotherapists, and policy makers. The book begins with a deep look at the archetypal dimensions of the feminine principle and how entheogens give us open access to these ancient archetypes, including goddess consciousness and the dark feminine. The contributors examine the female roots of shamanism, including the role of women in the ancient rites of Dionysus, the Eleusinian Sacrament, and Norse witchcraft. They explore psychedelic and embodied paths to ecstasy, such as trance dance, holotropic breathwork, and the similarities of giving birth and taking mind-altering drugs. Looking at the healing potential of the feminine and altered states, they discuss the power of plant medicines, including ayahuasca, and the recasting of the medicine-woman archetype for the modern world. They explore the feminine in the creative process and discuss feminist psychedelic activism, sounding the call for more female voices in the psychedelic research community. Sharing the power of "femtheogenic" wisdom to help us move beyond a patriarchal society, this book reveals how feminine consciousness, when intermingled with psychedelic knowledge, carries and imparts the essence of inclusivity, interconnectedness, and balance our world needs to heal and consciously evolve. Eleven classic whodunits starring master sleuths such as Sherlock Holmes, Hercule Poirot, and Father Brown. A superstar lineup of detectives—including Sherlock Holmes, C. Auguste

Dupin, and Hercule Poirot—headlines this elegant leather-bound edition of classic mystery stories. Short stories such as Edgar Allan Poe's "The Murders in the Rue Morgue" and G. K. Chesterton's "The Blue Cross" are ideal for a cozy evening by the fire, while novels like Agatha Christie's *The Murder on the Links* and Jules Verne's *An Antarctic Mystery* will keep you engrossed for days. The eleven works in this volume are preceded by a scholarly introduction that explores the origins of the genre, as well as the development of the modern mystery story and the contributions made by each author.

Works Included Short stories: "The Murders in the Rue Morgue," Edgar Allan Poe "The Adventure of the Creeping Man," Sir Arthur Conan Doyle "The Blue Cross," G. K. Chesterton "The Coin of Dionysius," Ernest Bramah "The Anthropologist at Large," R. Austin Freeman "The Most Dangerous Game," Richard Connell Novels: *The Murder on the Links*, Agatha Christie *Whose Body?*, Dorothy Sayers *The Thirty-nine Steps*, John Buchan *An Antarctic Mystery*, Jules Verne *Room 13*, Edgar Wallace

In this groundbreaking work, twenty-three authors investigate and discuss composer Pauline Oliveros' revolutionary practice of Deep Listening. From an education program reaching 47,000 San Francisco school children to electronic dance music (EDM) events held in remote desert locations, from underwater duets with whales to architectural listening, the multifaceted essays in this collection provide compelling depictions of Deep Listening's ability to nurture creative work and promote societal change. Takes a look at the role of women in crime fiction through interviews, recommended lists, and more. *The Mystery of Woman* is a dynamic, groundbreaking and deeply thought-provoking book that compiles the perspectives of more than 30 different authors, men and women. It tackles everything under the sun when it comes to understanding women and navigating the tricky waters of relationships: from love to romance, dating, masculine and feminine energies, sexuality, spirituality, tantra, communication, emotions, the suppression of women, the power of the masculine and much more. *The Mystery of Woman* features writings from Gabriel Morris, author of *Kundalini and the Art of Being*; Alice Grist, author of *The High-Heeled Guide to Enlightenment*; prominent yoga figure Dashama Konah; an interview with Maya Yonika, main character in the movie *Sex Magic: Manifesting Maya*; and many other leading figures in the realms of relationships, spirituality and sexuality. "One of the most admired men in the world of seduction" (*The New York Times*) teaches average guys how to approach, attract and begin intimate relationships with beautiful women For every man who always wondered why some guys have all the luck, *Mystery*, considered by many to be the world's greatest pickup artist, finally reveals his secrets for finding and forming relationships with some of the world's most beautiful women. *Mystery* gained mainstream attention for his role in Neil Strauss's *New York Times* bestselling exposé, *The Game*. Now he has written the definitive handbook on the art of the pickup. He developed his unique method over years of observing social dynamics and interacting with women in clubs to learn how to overcome the guard shield that many women use to deflect come-ons from "average frustrated chumps." *The Mystery Method: How to Get Beautiful Women Into Bed* shares tips such as: *Give more attention to her less attractive friend at first, so your target will get jealous and try to win your attention. *Always approach a target within 3 seconds of noticing her. If a woman senses your hesitation, her perception of your value will be lower. *Don't be

picky. Approach as many groups of people in a bar as you can and entertain them with fun conversation. As you move about the room, positive perception of you will grow. Now it's easy to meet anyone you want. *Smile. Guys who don't get laid, don't smile. This book is a compelling new look at the centuries-old prayer of the rosary. It gives new meaning to the experience of prayer through exquisite glimpses into the heart of the mother of Jesus, who for women represents the power of life itself.
